A truly unique experience

Food & Drink

At Grappolo we will work with you to come up with the perfect wedding breakfast menu. Your guests will be treated to a touch of the Mediterranean with fabulous, freshly prepared food and an extensive range of wines, champagnes and drinks to choose from.

You can also choose from a delicious self-serve buffet or a sit down meal with waiter service. All dietary requirements will be catered for.

Entertainment

As well as the great Grappolo atmosphere and service our attentive waiting team bring to your day, you and your guests can enjoy music of your choice from our in-house musicians.

We can also arrange disco and entertainment for the evening reception or accommodate your own entertainment. And with our dance floor you can ensure everyone has a great time!

The Rooms

Upstairs we have a function room, with round tables and an outdoor balcony - ideal for pre breakfast drinks or fresh air on those warm summer evenings. This room caters for up to 80 people for a sit down meal and 90 for a buffet. Alternatively, during the day we can accommodate up to 140 in our main restaurant.

So whether it's a small intimate affair or a large gathering we can accommodate you and your wedding party comfortably.
